Dear Interns,

Please refer to the below details to proceed with the reimbursement claim for **return** relocation expenses.

Process to claim return ticket (Flight/Train/Bus)

Flight Ticket

- Eligible Interns are required to book their return flight ticket using the Concur tool before the Internship duration ends. Book the flight ticket at least 15 days prior to the Internship end date to ensure that the airfare is reasonable. Interns must claim the return tickets after the return travel is complete and within 2 weeks from Internship end date by emailing hrdirectapj@sap.com for reimbursement.
- **Please email your return ticket, boarding pass (for flight) and HR approval (consider this email as HR approval) to hrdirectapj@sap.com to claim the return ticket. It is advised to convert this approval email as PDF and save it in your records as access to your SAP email ID will no longer be possible after your exit.**
- Refer to the attached document for detailed instructions on booking the return flight tickets in Concur portal.

Train/Bus ticket

- If an Intern is returning via Train/Bus, they must book the tickets on their own at least 15 days prior to Internship end date to ensure that the ticket price is reasonable. Interns must claim the return tickets after the return travel is complete and within 2 weeks from Internship end date by emailing hrdirectapj@sap.com for reimbursement

Eg – If your Internship end date is 9th June 2023, you must claim the return ticket by 23rd Jun 2023.

- **Please email your return ticket, boarding pass (applicable for flight travel only) and HR approval (consider this email as HR approval) to hrdirectapj@sap.com to claim the return ticket. It is advised to convert this approval email as PDF and save it in your records as access to your SAP email ID will no longer be possible after your exit.**
